

December 6, 2022

Dear GSA Community,

You will have seen the email from Tim Seeley informing you of his decision to step down as Head of School, effective June 30, 2023.

Please join me in thanking Tim for his years of dedicated service. Under Tim's leadership, we have addressed many complicated issues concerning the school, not least securing much-needed supplemental tuition from the sending towns. Tim's leadership was particularly effective throughout the difficult pandemic years. He is thoughtful and passionate about GSA. It has been my pleasure to work with him. I will especially miss his presence and wisdom at our committee and board meetings.

The Board is already in the process of convening a search committee ultimately tasked with recommending a candidate to serve as our next Head of School. We will update you throughout this process.

Tim, we wish you the best of luck for your future endeavors. I look forward to working with you over the next seven months as we transition to new leadership.

Sally Mills,

Board Chair
