2022 Class Gift

The Class of 2022 has made a gift to the Food for Thought Fund, an endowment that addresses food insecurity in the school community by subsidizing the cost of lunch* for students whose families qualify.

The fund was established in 2017 when Dorothy “Dottie” B. Hayes made a major gift to the school as an expression of her lifelong love of the Blue Hill Peninsula and strong commitment to education. Her experience in schools informed her belief that a hungry student cannot be a focused learner.

Since 2017, friends of GSA have given generously to this fund, which now includes this special gift from our most recent graduates.

A plaque noting the senior class gift will be installed in the cafeteria.

**As an independent town academy, GSA does not participate in the federal free-and-reduced lunch program available to public schools.*
