

May 4, 2022

Greetings to All Families,

GSA has received COVID-19 rapid antigen self-test kits containing 5 test devices. Each student and staff member will receive one of these kits, which will be distributed this week.

Self-testing Videos CDC

To learn how to use the tests, click the link below and view the video that matches the name of your test.

<https://www.cdc.gov/coronavirus/2019-ncov/testing/self-testing-videos.html>

A POSITIVE test should be reported to the school nurse as soon as possible at 374-2808.

Thank you for your help keeping our community as safe as possible.

With warm regards,
Katharine Fodnaess, RN
School Nurse
