### 2020 - 2021

---

*This supplement includes rules created or revised in response to the temporary challenges posed by the SARS-Cov-2 pandemic. Any part of this supplement that conflicts with part of the Student-Parent Handbook supersedes that part of the Student-Parent Handbook for as long as the pandemic is ongoing. Other rules and guidelines not in this supplement also may be in effect as long as the pandemic is ongoing. The GSA Health & Safety Guidelines for 2020-2021, available on our website, is one such example.*

*This supplement is subject to change as circumstances warrant. The supplement, including any revisions or updates, will be available on our website for as long as it is in effect. Visit [www.georgestevensacademy.org/backtoschool](http://www.georgestevensacademy.org/backtoschool). (Sept. 1, 2020)*
