

September 18, 2020

Dear GSA Parents and Guardians,

The school year has started!

We would like to give you all an opportunity to check in with us, ask questions, and share feedback on how the school year is going so far for your children. We are scheduling two online parent/guardian forums in the coming weeks. We will host one forum for returning parents and guardians, and a separate forum for parents and guardians who are new to GSA, as they may have different questions and concerns than those already familiar with our school community.

An email with information on how to register for these online forums will go out early next week. Registration is required. In the meantime, please mark your calendar.

New Parent/Guardian Forum: Thursday, Sept. 24, 7-8 P.M.

Returning Parent/Guardian Forum: Tuesday, Sept. 29, 7-8 P.M.

We will record each forum and share a link online so anyone who cannot participate can view them at their convenience.

Please join us. Be on the lookout for the registration email.

Sincerely,

Timothy J. Seeley

Head of School
