

GSA Virtual Info Sessions

Local parents of 7th and 8th-graders, GSA will host virtual new family info sessions on Wednesday, Nov. 18, and Wednesday, Dec. 2, from 6–7 P.M.

Registration reply cards were sent home with children in those grades, but any family may email c.snow@georgestevens.org to register for one of the events. In the email, tell us your child's name, grade, and your home address. About 2 days in advance, you'll receive a Zoom access link for the event and an agenda. For security purposes, registration is required, and you must have Zoom downloaded on the device you will use to participate.

Each session will feature GSA faculty describing the many benefits of a GSA education and outlining the academic curricula. Members of the Science, Mathematics, Social Studies, English, Industrial Technology, Physical Education, and Visual and Performing Arts departments will speak, as well as the Ninth-Grade Seminar teacher, the Dean of Students, and the Head of School. There will be an opportunity for families to submit questions.

If you have questions prior to the event, please call the school at 207-374-2808 or email admissions@georgestevens.org and an admissions officer will be happy to help.
