

Before Isolation

By Tommy Norgang

I miss the hallways
I miss my class
Few months ago I had it
But it wasn't to last.
I'm fish in a tank
Like bird in a cage
I want to be free
Want to learn
So much rage
The worlds crumbling down
And I don't believe it's getting better
I think this is the beginning
The world is too tired
She needs to heal
So we let her.
But wait
I'm wrong
The world is healing
Getting cleaner
For as humans decline she becomes greener?
Well
That's how it is
I don't like it one bit
Who cares what I like
Doesn't matter
We're a blip.
