Xbox
Skip rocks
Playing basketball
Don't look at the clock
Bike rides
Sleeping in
Can't hang out with friends
You know that's a sin

Covid-19
Gotta stay clean
Can't sit around
I'm a goddamn teen
I even play chess

Kill your king with my queen
Gotta stay together
Unlike Shaq and Kobe

What does this mean?
Feels like World War III
Except Iran is not
The enemy

Please
If just everyone would just listen
Beat coronavirus up
Till it accepts submission
