Time changed.

We're different,

But my mind still says redundant things.

Can I not think?

Will you love this part of me?

My lover is a day I can't forget,

Furthering my distance from you.

Realistically, I can't leave now,

But I'm okay as long as you

Keep me from going crazy,

hocus pocus, wanna make your problems disappear.

I'm hoping you can hear me calling loud and clear,

so tell me how you're feeling cause I'm unaware.

I'm dealing with a lot. I gotta know what's here.

I'm offering my heart, but do you really care?

I loved you from the start, but do you really share

the sentiment? I hope you never shed a tear.

These questions that I ask, just floating in the air.

I don't know if you listened to the words that I said,

thinking maybe we'll elevate you and end up taking the stairs.

I'm hesitating cause I'm what you're thinking 'bout when you stare.

Thinking 'bout sleeping on the couch-

While they're off in their own minds
