

What I Miss about School,

An acrostic poem by Jenna Blodgett

Getting to be around amazing people every day
Everyone coming together
Overly enthusiastic parents at basketball games
Reading with Mae during study halls
Gorgeous art in the hallways
Evenings spent rehearsing lines for the play

Singing with the combo
Thanking Kristyn and the lunch crew every day
Events in the gym
Volunteering for something I've never done before
Earning money by fundraising with my team
Notes with Ms. Lowe
School spirit week

Acting in plays with the Laramie cast
Calling the office through the speaker
Assembly
Delicious soup on Wednesdays
Embarrassing Jillian in English class
Mr. O
Yelling across the soccer field
