

# School Poem

*By Oliver Tenney*

I miss school  
Because it was cool  
And oh so fun  
Seeing my teachers  
was so nice  
And learning all

of that good advice  
(not once but twice).  
Going to the cafeteria  
To eat food that was very pleasant  
And after that we all go learn

And end the day with no concern  
-Except for homework-  
Which isn't as fun  
As hanging with friends  
Out in the sun.
