GSA 2013 Annual Report and Strategic Plan

---

**IN THIS ISSUE** At their July meeting the GSA Board of Trustees approved the 2013 Strategic Plan - a set of ambitious initiatives to be implemented over the next three to five years. *See the plan on pages 13-16.*

## BOARD of TRUSTEES 2013-2014

President — Marion Morris, Brooklin  
Vice-President — Jim Markos, Blue Hill  
Treasurer — Emil Andy, Blue Hill  
Clerk — Jim Henry, Penobscot

Margaret Hannah, Blue Hill  
Tyler Knowles, Blue Hill  
Deborah Ludlow '79, Brooksville  
Melissa Mattes, Sedgwick  
Marjorie Olivari, Castine  
Samantha Politte, Blue Hill  
Phyllis Taylor, Blue Hill  
Brian van Emmerik, Sedgwick  
Jon Woodward '66, Sedgwick

*Ex-officio* Paul B. Perkinson, Head of School

*Currents* is a publication of the Communications and Development offices.

## *from the Head of School*

Last year more than 50 GSA teachers, trustees, administrators, and staff, along with 20 community members—collaborated in eight planning committees to create a five-year strategic plan. That plan, “Renewing Our Commitment to Student Success,” was accepted and approved by the Board of Trustees in July. The fundamental mission of GSA has not changed: student success is Job One. We welcome our students with a promise and commitment to prepare them for the choices they will make after high school. We will carry out that promise not only through the inspired work of our own faculty and staff, but also by engaging partners in the larger community to provide programs that our students need and want.

The details of our strategic plan are ambitious, but the inclusive and broadly consultative way we worked together reminds me that with community support, there is nothing our school cannot achieve, and no challenge we cannot meet. We can all take pride of ownership in our plan and feel confident that, thanks to committed community support, we will succeed in meeting all our goals.

In all our planning conversations, and in all our deliberations, I came away with an abiding appreciation for the role GSA has played and will continue to play in building a strong community on our peninsula. We contribute to our community in numerous ways beyond our obvious service to educate: over the past year, even as we were creating a strategic plan, GSA hosted visiting artists and dance companies, produced the Summer Speaker Series, provided facilities for the annual Blue Hill Pops Concert and an Audubon presentation, entertained our friends and neighbors with sporting events and musical and dramatic performances, and participated in Last Night 2012. We provided space for church services, organized small and large community service projects, held a middle school basketball tournament, and conducted a public GSA Board of Trustees meeting.

Going forward, I envision GSA continuing to serve as a key partner in doing good things for the peninsula, and know that GSA will continue to benefit enormously from being a part of this vibrant community.

Paul B. Perkinson

Head of School

## New Faculty & Staff at GSA 2013-2014

**JASON BILLINGS**  
Industrial Technology  
Marine Engineering,  
Maine Maritime Academy

**KELLY CUNNANE**  
ESL Instructor  
B.A. English,  
Nasson College  
M.A. English,  
Cleveland State University  
Internationally certified  
TEFL/TESOL Instructor

**JOANNA EVANS**  
Director of Admissions  
B.A. Biology and Education,  
Smith College  
M.A. Education,  
Smith College

**JEFF GOLDMAN**  
Chemistry and Physics  
B.E.S. Materials Science  
and Engineering,  
Johns Hopkins University  
M.E.S. Materials Science  
and Engineering,  
Johns Hopkins University

**SUZZI NIELSEN**  
Science  
B.S. Environmental Science,  
Humboldt State University

**SARAH RIZZO**  
Mathematics  
B.S. Mathematics,  
University of New Hampshire  
M.S. Teaching,  
University of Maine

**LIZ MACONE**  
Registrar and Assistant to  
Student Services  
A.S. Secretarial Science,  
Middlesex Community College

**STEVE THEOHARIDIS**  
Director of Buildings and Grounds  
Steve owned Steve Theo Construction  
for fifteen years and is experienced in  
all areas of masonry and construction.

**CORY SCHILDROTH**  
Special Education  
B.A. Elementary Education,  
University of Maine  
M.A. Educational Leadership and  
Special Education,  
University of New England

**AMANDA POYANT**  
9th Grade Academic Support  
Study Hall Monitor  
B.A. History,  
Western New England College

## Departing Trustees

### Rob Clapp '73

During his tenure on the Board, Rob served on numerous committees, including the Head Search Committee, Committee on Trustees, Finance, Head of School Evaluation, and Campaign Steering Committee. He also served as Board Vice President and President. Rob's leadership on the Campaign Steering Committee was particularly critical in GSA's successful drive to fund the renovation of the gymnasium and the creation of the Science Projects Room. Rob's deep knowledge of the school's history, and his calm and thoughtful leadership have been invaluable to the Board and to the school as a whole.

### Sue Loomis

Sue chaired and then served on the Strategic Planning Steering Committee and was a member of the Strategic Planning Governance Committee. She has served on the Education Committee, the Committee on Trustees, the Head Evaluation Committee, and was part of the International Student Committee that envisioned our residential program. Her extensive knowledge of how schools operate and her steady, pragmatic approach have been great assets to GSA.

### Dan McGraw

In his many years as a trustee, Dan distinguished himself by his wise and steadfast service on the Buildings and Grounds Committee, first as a member and then as its Chair. Dan's knowledge and prudence shepherded years of B&G projects to their successful completion. We are deeply grateful for the many years Dan devoted to GSA and to the preservation and improvements of GSA's facilities.

## Returning Trustees

### Melissa Mattes

Melissa has a longstanding interest in education, having served on the Sedgwick School Board before her nine years of service on the Board of GSA from 2003-2012. During her tenure, Melissa served as both President and Vice-President of the Board, chaired the Committee on Trustees and served on numerous other committees. Melissa is looking forward to rejoining the Board and will resume her role as Chair of Committee on Trustees, working to strengthen the Board's systems to best support the GSA community.

### Deb Ludlow '79

Deb was a trustee for eleven years prior to taking this past year off. During her time on the Board she chaired the Education and Development Committees as well as serving on several other committees. As a trustee, Deb was key to the establishment of GSA's Homecoming Weekend and also worked extensively on the Alumni Challenge fundraising initiative. Deb has a particular interest in ensuring the success and growth of GSA's Special Education program.

## POWERS of GIVING

I am pleased to present the 2012-2013 George Stevens Academy annual report. Thanks to the generosity of alumni, parents, grandparents, friends, faculty, staff, and trustees, we received \$361,000 in gifts last year, including \$176,000 in support of the Annual Fund and \$185,000 to our endowment and capital initiatives.

GSA's Annual Fund supports the operating budget and is critical in closing the gap between the school's operating costs and tuition revenue received from sending towns. Annual Fund participation continues to increase: just this year 150 new donors contributed to the fund. Thank you to all of the parent, alumni, and trustee volunteers who joined together in support of our goals, and a special thank you to members of our Development Committee, the Parent Volunteer Group, and our Class Agents for their ongoing commitment to building support for our students and faculty.

I'd also like to acknowledge members of the Class of 1963 for their generous class gift to the Annual Fund in honor of their 50th reunion, and members of the Class of 2013 for their thoughtful gift of a Douglas fir lectern made by local craftsman and GSA alumnus Basil Bowden '79.

Our success in 2012-2013 is in large part due to two challenge opportunities that generated \$37,000 in unrestricted Annual Fund support. I extend our deep appreciation to the Flood family for offering a follow-up challenge to their 2011-2012 initiative, and to the Heilner family for introducing a challenge to build parent support. (*See page 24.*)

Thanks to income generated by the 2010 bequest of Jerold M. Hinckley '33, various campus projects were completed this summer, perhaps most conspicuous, a beautiful courtyard with beds for flowers and shrubbery connecting our various buildings, and a new outdoor staircase leading from the upper buildings to the new courtyard. If you haven't been on campus recently, please stop by to admire these improvements!

Thank you for your continued commitment to GSA.

Sincerely,

Rada Starkey  
Director of Development

# 2013 STRATEGIC PLAN “RENEWING THE COMMITMENT TO STUDENT SUCCESS”

### Steering Committee

Marion Morris, Chair • Margaret Hannah • Tyler Knowles • Erin McCormick • Mark Messer •  
Harearl Moore • Lin Parker • Paul Perkinson • Rada Starkey • Liffey Thorpe

Our students come to GSA from all over the peninsula—and the world. Our goal is to prepare them to take whatever next steps they choose—whether going on to college or another form of continuing education, or moving directly into the work force. Student success depends on *five strategic commitments*, and we will be focusing on them to ensure the best possible outcome for every GSA student.

# 1 -

## MAKE EVERY STUDENT A SUCCESS STORY

We know every student has the potential to learn and grow. We challenge every student to realize that potential with the support and leadership of a talented faculty and staff who know and care for students as individuals, a curriculum that is both broad and deep, and experiential learning opportunities that combine learning and doing.

- ▶ Restructure the advisory program to provide better, more consistent, more continuous academic, social, and emotional mentoring for every student from the time he or she enters GSA until graduation.
- ▶ Improve student orientation programs to facilitate the transition into high school and to integrate new local and residential students more fully into the GSA community.
- ▶ Review and renew curricular programming and policies to ensure that every student is appropriately challenged academically and receives all the right academic support.
- ▶ Initiate and innovate programs that take advantage of GSA's distinctive location and exceptional resources, such as the Eastern Maine Skippers Program, Cooperative Education, Independent Study, and a Culinary Arts Program.
- ▶ Create a Learning Center to improve student performance across the curriculum, particularly in the areas of reading, writing, and study skills.
- ▶ Hire a social worker and increase the nurse's position to full-time to support the mental, emotional, and physical well-being of our students.

## 2 - BUILD AND MAINTAIN A GREAT FACULTY

- ▶ Expand and improve recruitment strategies to identify and attract the strongest possible teachers and staff.
- ▶ Ensure that we offer competitive compensation packages not only to attract, but to retain, the best possible teachers and staff.
- ▶ Articulate a policy that sets balanced and sustainable expectations defining teaching duties.
- ▶ Expand support for professional development opportunities and encourage a culture of continuous professional improvement.
- ▶ Fuel curricular initiatives and program development through grant-writing workshops and other professional activities.

Bricks and mortar are important—but student success starts with people. Inspired and inspiring teachers, supported by a professional and visionary administrative staff, create the most promising environment for student achievement. GSA has an exceptionally fine faculty. We will adopt policies and practices to attract and retain the future teachers and staff our students need to succeed.

## 3 - PROVIDE THE RIGHT FACILITIES FOR STUDENT LEARNING

Learning comes from teachers first, but also depends critically on the space in which students learn, and the tools and materials available to them. School facilities must above all be safe as well as useful. New and remodelled facilities will be designed to inspire students, excite their imaginations, and motivate learning. In the past several years, GSA has addressed a number of maintenance issues, and invested in improving several classrooms, the Library, the gymnasium, a Science Projects Room, and the school grounds.

- ▶ Update classroom technologies to support ambitious, 21st century curriculums.
- ▶ Continue to replace or renovate facilities around campus, including classrooms, entryways, bathrooms, and school grounds, making design and construction choices that are not only safe and environmentally sound, but attractive and engaging.
- ▶ Create a feasible plan for new construction projects, including two new classrooms, a fully-remodelled cafeteria, and a campus courtyard.
- ▶ Create and communicate a Campus Plan that draws on ideas from all school constituents to identify short and long-term maintenance needs as well as long-term building projects to be supported through capital campaigns.

## 4- BE ACCOUNTABLE AND FORTHCOMING

We intend to be a school where teachers and staff, students, parents, trustees, and the broader community understand how, why and by whom decisions are made. We seek to be appropriately collaborative and consultative in our decision-making processes, and believe that everyone should understand how decisions are made at GSA, and why and by whom. Over the past several years, we have developed new decision-making processes for hiring and evaluating employees and making curricular and program changes.

- ▶ Strengthen accountability by clarifying roles and decision-making processes of the Board of Trustees, the Head of School, teachers, administrators, and staff, and communicating those decisions widely.
- ▶ Create a clear process for exploring curricular improvements and initiatives based upon data acquisition, and communicate new decisions as they are made.
- ▶ Continue to improve Board governance and communications in line with best practices as defined by ISANNE and NAIS.
- ▶ Strengthen all internal and external methods of communicating with constituents, including prospective students, current students and families, alumni, friends and the community.

## 5- MAKE GSA AS FINANCIALLY STABLE AS POSSIBLE

We are careful and conservative stewards of our resources, but we will need to be bold to protect our mission against the vicissitudes of fortune. The Hinckley gift to the endowment (2010) has gone a long way towards improving GSA's ability to weather uncertain futures, and yet we remain vulnerable. Our long-standing commitment to educating the students from our sending towns at the state-set tuition rate means that our tuition revenue will never meet the costs of our ambitious curriculum and programs. To make up the difference, we depend on income from our endowment and from successful Annual Fund campaigns. We must continue to build an endowment and an annual fund to support operating expenses, and must make our development effort a clear, well-understood priority campus-wide. Finally, we must improve the efficiency of our workplace, and seek additional sources of revenue.

- ▶ Develop a school-wide culture that understands and fully supports the goals and strategies of the Development Office.
- ▶ Explore the possibility of increased student enrollment.
- ▶ Create and implement initiatives for new sources of revenue, including summer programming and property rentals.
- ▶ Improve the databases in the Business and Admissions offices.

# Springing Ahead with Two Challenge Efforts

Two new \$10,000 Challenges in spring 2013 gave an important boost to GSA's Annual Fund.

The Heilner Parent Challenge provided by Fred and Prudy Heilner brought in 61 gifts from April to June and helped GSA reach its 30% parent participation goal for the year. In a letter to fellow parents announcing the Challenge, Fred and Prudy emphasized that "a strong parent community is vital to GSA's success, and contributing to the Annual Fund is one way we can join together to show how much we value our school."

In May, Larry Flood and Trustee Tyler Knowles launched a follow-up Flood Challenge to inspire renewed Annual Fund gifts from seasonal and year-round community members. In two months, the Challenge prompted 24 gifts to meet the \$10,000 goal.

As Larry and Tyler wrote to friends and neighbors last year, "We are proud to be partners in this important investment that benefits all of us who enjoy the vibrant communities of the peninsula and surrounding towns."

GSA is fortunate to count the Flood family and the Heilners among the school's committed friends and advocates.

To establish a Challenge in support of the Annual Fund, contact Jennifer Traub, Director of Annual Giving, at [j.traub@georgestevens.info](mailto:j.traub@georgestevens.info) or (207) 374-2800.

## THE *Alumni Challenge*

### 20% participation = \$20,000 for GSA

This year is our last chance to meet the Challenge! Last year, our alumni participation rate was 10%. By doubling that rate, GSA will grow its base of alumni support and receive a \$20,000 donation from a generous group of friends.

We need 635 alumni participants by June 30, 2014 to make the challenge happen and earn \$20,000 for our school!

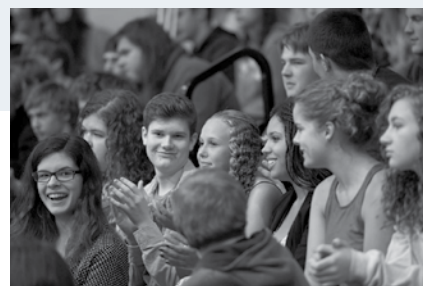

Visit [www.georgestevensacademy.org/alumnichallenge](http://www.georgestevensacademy.org/alumnichallenge) to track progress toward the Challenge and to see how your class is doing.

There's more than one way to help!

- ▶ *Contribute.* Each alumnus gift gets us closer to the goal. Thank you to everyone who has already contributed this fiscal year (beginning July 1).

- ▶ *Double Your Impact.* You can help further by inviting another alum to participate. If each alumni contributor from last year renews and recruits an additional alumni donor, we will reach our goal!
- ▶ *Challenge your classmates!* Show your class spirit by encouraging fellow grads to join in the Challenge. The earlier your group contributes, the sooner you can take the lead as the class with the most participation. The class with the highest number of contributors is listed on our Alumni Challenge web page ([www.georgestevensacademy.org/alumnichallenge](http://www.georgestevensacademy.org/alumnichallenge)).

Gifts toward the Alumni Challenge may be made by credit card at [www.georgestevensacademy.org/onlinegift](http://www.georgestevensacademy.org/onlinegift) or by check to GSA Annual Fund, 23 Union Street, Blue Hill, ME 04614.

## *Class Agents* *A Great Way to Help the Effort*

Class Agents play a vital role in keeping classmates connected with one another and with George Stevens Academy. They serve as a central point of contact for efforts such as coordinating class reunions, updating class contact info, sharing class news, and encouraging alumni participation in GSA's Annual Fund.

Would you like to become a Class Agent or nominate someone from your class to serve in this role? Contact Jennifer Traub at [j.traub@georgestevens.info](mailto:j.traub@georgestevens.info) or (207) 374-2800 for more information.

# Summer Reunions

## *Class of 1961*

On Sunday, August 31, the Class of 1961 enjoyed a 52nd-year reunion at the home of Cordell and Sandra Snow in Ellsworth. Twelve members of the class attended.

◀ Seated, from l-r: Anne Bragdon Black, Jackie Closson Rossi, Cordell Snow, Betty Sylvester Pickering, Marjorie McGraw Longwood, Mimi Snow Hamilton. Standing: Joan Douglass Pettengill, Sally Drew Winchenbach, Marilyn York Brossmer, Forrest Horton, Fred Sprague, and Jerry Butler.

## *Class of 1988*

The Class of 1988's 25th-year reunion took place at Barncastle Hotel + Restaurant on Saturday, August 17. Organized by Gary Milliken, who also DJed the event, the reunion drew 36 class members.

◀ Aran and Margot Shetterly (not pictured), Stephanie Wright Adams, and Andrea Durnbaugh Killian stopped in at GSA for a school tour before the reunion. They were given a campus tour by Assistant Head of School Buzz Moore and Class of 2013 graduates William Navarre, Nolan Ellsworth (center), and Lucy Jakub. Highlights of the tour included viewing GSA's new courtyard, ringing the restored bell, and perusing copies of *The Procrastinator*, the school newspaper founded and published by the students guiding the tour.
