2013-2017 Strategic Plan: Renewing the Commitment to Student Success

MAKE EVERY STUDENT
A SUCCESS STORY

•
PROVIDE THE RIGHT FACILITIES
FOR LEARNING

•
BUILD AND MAINTAIN
A GREAT FACULTY

•
BE ACCOUNTABLE &
FORTHCOMING

•
MAKE GSA AS FINANCIALLY
STABLE AS POSSIBLE

The full text of the Strategic Plan is available on our website.

George Stevens Academy is an independent high school on the coast of Maine. The Academy is a caring educational community committed to meeting the needs of each local and residential student with a challenging, comprehensive academic and experiential program that fosters the pursuit of knowledge, inspires creativity, develops self-reliance, and prepares graduates for a purposeful life in a changing world.

Mission Statement (2013)

George Stevens Academy
23 Union Street
Blue Hill, Maine 04614
(207) 374-2808

Thinking and Acting Strategically

Recently, Mitchel Resnick, the Director of the MIT Media Lab, began a lecture by asking, “Which of these things is not like the others? Television. Computer. Paintbrush.” He expects most people will think “Paintbrush,” but he argues that we need to think of computers as more like paintbrushes (creative tools) than like TVs (information-gathering tools). Computers should be a central part of the creative, maker enterprise of school life—like a paintbrush.

Resnick’s conclusions reflect how we are approaching integrating our laptops into everyday life at George Stevens Academy. We believe that while a laptop computer is a powerful portal for information acquisition and distribution, it can and should be a tool for creating and making and authoring and inventing. We are on our way to finding out how soon we can do this. We are in the first year of implementing the significant strategic initiative of supplying each GSA student with a powerful Macbook Air through the Maine Laptop Initiative (MLTI) program. The initiative is part of a larger, more comprehensive Strategic Plan that we published last year (see its five chief goals on the facing page).

Our strategic plan calls for us to restructure our Advisory Program, supported by a generous grant from the Edward E. Ford Foundation, so that each high school student has one adult, who is not their teacher, trained and committed to playing the role of advisor, influencer, informal counselor, advocate, and cheerleader. Our advisory meetings are taking on greater and greater importance as we place more responsibility on the advisor and train advisors to support students in all areas of school life.

Our strategic plan challenges us to live within our means by staying within our annual school budget and becoming financially stable. For the last three years, we have managed to achieve budget surpluses, which we have used to pay down a deficit that had accumulated over a decade. We have accomplished this by expanding our Development initiatives, increasing our student numbers in admissions both locally and internationally, and by exercising budget discipline. We fully expect to end 2014-15 in the black. We are well on our way to achieving our strategic goal of financial stability.

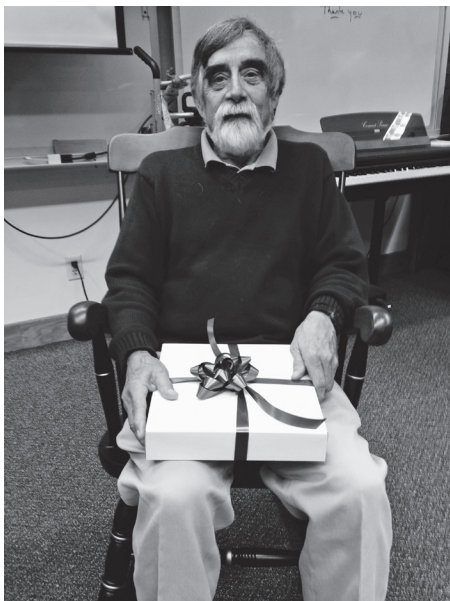

Our strategic plan commits us to address a significant agenda of deferred maintenance—dating back to the last century! Thanks to the good work of our Buildings and Grounds Committee, ably chaired by Assistant Head of School Buzz Moore and trustee Jon Woodward, our campus has enjoyed upgrades and facelifts that make our facilities more attractive, more energy-efficient, and more aligned with our programs. For details of our accomplishments this year, see page 5.

With help from parents, trustees, alumni, and friends of the school, we are thinking and acting strategically to fulfill our important and valued school mission: to care for and commit to the needs of each student by providing a challenging, comprehensive program that fosters the pursuit of knowledge, inspires creativity, develops self-reliance, and prepares every student to lead a life of purpose. Many thanks to all our generous donors who have helped turn strategic thinking into action.

Paul B. Perkinson

From Melissa Mattes, Trustee and Chair of the Committee on Trustees

Departing Trustee

EMIL ANDY

At the annual Open Board Meeting in September, Melissa Mattes on behalf of the board thanked retiring trustee Emil Andy for his many years of service to the school. Emil was given a rocking chair and a gift, and Melissa offered the following comments:

“Emil Andy began teaching at George Stevens Academy in 1970, and for all but three years also served as the Assistant Head of School until his retirement in 2000. He was appointed to the Board of Trustees in 2001. As a trustee, Emil sat on many committees, most recently Buildings & Grounds and Finance (which he chaired), and also served as board treasurer.

“It is hard to contemplate GSA without Emil. He rarely missed a meeting, was fully engaged in the topic at hand, and was an active participant in discussions. He could always be counted on for his willingness to get involved in committee work and to help out whenever and wherever needed.

“Emil served as a valuable historian as we navigated through board business, his knowledge and sensitivity guiding us through significant periods of growth and change. Admittedly, Emil’s nature is not always calm. His passion for GSA and his commitment to integrity, quality, and getting the history right have at times made for some gritty debate, but we are stronger and better for his contributions.

“Emil is leaving the board, but he will always be a valued member of the GSA community and we will continue to seek his wisdom and unique perspective as we carry on.”

New Trustees

MICHAEL MCMILLEN, Brooksville

Mike attended school in New Haven and Vermont, graduated from Bard College with a major in English, and took graduate courses at Tufts. He developed a lifelong interest in the philosophy of education and education policy. Mike worked for the Maine State Planning Office and then spent thirty-five years in commercial real estate development before retiring. He has served on school committees in Vermont, Massachusetts, and Maine. For fourteen years he has chaired the Brooksville Education Foundation, which raises scholarships to encourage Brooksville students to pursue post-secondary education.

LIN PARKER, Penobscot

Lin worked at George School in Pennsylvania for twenty-six years as math teacher, head of the math department, chairman of the International Baccalaureate Curriculum (IB), and a lacrosse coach. He left George School in 1996 and went to Kents Hill School where he chaired the math department and coached lacrosse before retiring in 2004. Lin served on GSA’s Strategic Planning Steering Committee and Program Committee before joining the board.

From Marion Morris, President of the Board of Trustees

Dear Parents, Alumni, and Friends of GSA,

On behalf of the Board of Trustees, I am pleased to announce that the Board has voted unanimously to appoint Tim Seeley to the position of Head of School. Tim will begin his term on July 1, 2015. He is currently the Director of Summer Programs at Portsmouth Abbey School, a co-ed boarding school in Portsmouth, Rhode Island, where he resides with his wife, Jill Clendenen, and their rescue dog, Pinto.

Tim graduated cum laude from Dartmouth College in 1981. His early postgraduate years included jobs in farming and carpentry, coaching football and basketball in California public schools, and a full-time volunteer position as assistant teacher at an alternative high school for at-risk youth. In 1984 he returned to his alma mater, Portsmouth Abbey School, where he taught Ethics, Algebra I, and Algebra II for three years prior to leaving to complete his advanced studies. He entered Harvard Divinity School where he received his masters in Theological Studies in 1989, and a Masters of Education from Harvard Graduate School of Education in 1990. From 1990 to 1997, Tim taught Religious Studies and became Chair of the Religion Department at The Lawrenceville School in New Jersey, where he also acted as a housemaster, and coached football, basketball, and tennis.

Tim went on to become the Director of the Humanities Program at Northfield Mount Hermon School from 1997 to 2001. Among other responsibilities, he oversaw the development and successful implementation in the Humanities of the school's classroom technology initiative. North Cross School became Tim's home from 2001 to 2011 where he filled a variety of roles, first as Dean of the Faculty, then Assistant Headmaster and Director of the Upper School, and finally Headmaster. During his tenure there he instituted a school-wide program of ethics education and created a program to increase effective ways of working with students with learning differences. He carried through the successful completion of a campaign to renovate the middle school and secured a \$1.2 million gift for the complete renovation of the athletic facility.

In 2011 Tim returned again to Portsmouth Abbey to lead its Summer Academic Program, attended by nearly 100 students, both boarding and day, from Central America, Europe, Asia and the United States. In addition to coordinating all aspects of this program, he created the Portsmouth Abbey English and Golf Academy, a program for international students serving 32 students from China in its first summer and generating significant revenue.

TIM SEELEY

Tim comes to GSA with his wife, Jill Clendenen, currently the Assistant to the Director of Summer Programs, and also Director of Afternoon and Weekend Activities. Jill received her B.A. from Bennington and her M.A. from Middlebury. She has taught French and coached field hockey and swimming. Both Tim and Jill enjoy outdoor activities, music, reading, writing, and travel. Tim has three children: Jeremy, in business school; Demarest, in nursing school; and Molly, a writer, blogger, and website editor.

The Search Committee began meeting in July, ably assisted by educational consultants Bruce Shaw and Raymond Nance. The search was international in scope and we received over 50 applications for the position. The committee interviewed many candidates and subsequently brought four finalists and their spouses to GSA's campus for two-day visits. Finalists met with the search committee, teachers, students, administrators, staff, parents, trustees, sending school administrators, and community members, who were then invited to provide feedback to the Search Committee. The Search Committee unanimously recommended Tim Seeley to the Board for its approval.

I would like to thank Bruce Shaw and Raymond Nance for their wise counsel; Tyler Knowles, trustee and Head Search chair, for her tireless, thoughtful, and thorough leadership; and all the search committee members for their dedication and hard work: Cory Schildroth, Director of Special Education; David Stearns, history chair; Rada Starkey, Director of Development; Melissa Mattes, trustee; Samantha Politte, parent and trustee; John Richardson, parent; Jim Markos, trustee. Thanks also to the many individuals who participated in this process and provided the committee with many helpful comments and perspectives.

*From Harearl “Buzz” Moore, Assistant Head of School and Co-Chair of the
Committee on Buildings & Grounds*

News from Buildings & Grounds

For almost two decades, financial constraints forced GSA to defer much of its buildings and grounds maintenance. Now that we are at last patching our roofs and shoring up our foundations, we’re also making our house safer, more attractive, more efficient, and more cost effective.

In the summer of 2013, our biggest project was to reconfigure the cafeteria courtyard into an attractive and serviceable greenspace. An expanse that before had been used solely to move from one place to another, the courtyard is now enjoyed by students and faculty as they eat lunch, talk, or just relax in an inviting environment. At the same time, we eliminated a dangerous and ugly set of concrete steps, replacing them with an aluminum staircase that more effectively ties the courtyard to the front campus. Our third major project, while not glamorous, was necessary: we updated the Wyandotte Building’s waste disposal system, connecting it directly to the town sewer system. The Library also got a facelift: carpet was replaced, the entire room was painted, and shelves and furniture were rearranged. The exterior walls of the science wing were also painted and the bricks resealed. The skywalk between the science wing and the Library needed new shingles, and while we were there, we saved money by reshingling a portion of the science wing a year sooner than necessary. Finally, we began a four-step process to update the school fire alarm system to tie all buildings into one alarm. Over the 2013 winter break, we renovated the bathrooms in the science wing.

Faculty meet in the newly refurbished Library for a professional development workshop on the MLTI initiative.

The summer of 2014 was equally ambitious: We replaced forty 400-watt lights in the gym with thirty 220-watt high efficiency LED lights, a move that decreases maintenance needs over the next two decades and saves us more than \$5,000 in electricity costs *every year*. Thus the project will pay for itself in less than three years. We also replaced seventy-one windows in the Academy Building—windows that date back to the building’s construction. Where the old windows rattled at the slightest provocation and were uninsulated, the new windows are tight and energy efficient, making classrooms less noisy and more comfortable. These improvements, too, will be reflected in our energy bills. Two sides of the Wyandotte Building received further attention, and both the Academy Building and the Academy House were partially repainted. More painting is scheduled this summer. A new, sturdy deck graces the front of the Academy Building, replacing a severely rotting one. We installed five new water coolers and bottle filling stations throughout the school. This project was done primarily in-house, and half the money was provided by the GSA Student Council. Each bottle filling station has a meter that indicates how many plastic bottles are being saved, so please check out a station when you’re passing by. With GSA’s participation in the MLTI, we needed to update all classrooms with ceiling-mounted projectors and AppleTV receivers. The cafeteria received a major facelift, with new paint and matching round tables and chairs. Finally, thanks to a generous gift from a loyal friend, the Faculty Lounge was recarpeted, repainted, and refurnished with matching chairs and sofas, a beautiful meeting table, and a full-size refrigerator.

The work of Buildings & Grounds is not done. This winter we’ll be installing programmable thermostats in all classrooms to again decrease our energy use, and plans are already underway for next year’s projects. All projects have the same criteria: to make the campus and facilities safer, sounder, more attractive, and more energy efficient. None of these projects, however, would be possible were it not for the generosity of contributors to GSA’s endowment. If you would like to help GSA continue to improve and maintain its campus, please speak with Rada Starkey in the Development Office and ask how you can help.

POWERS OF GIVING

Dear Friends of George Stevens Academy:

On the following pages we recognize those generous and loyal individuals whose gifts provide critical support of our current work on campus and goals for the future, including endowment and scholarship support, funding for enhancements to our academic programs and facilities renovations, and direct support of the school's daily operations through the Annual Fund. In 2013-14, gifts and pledges to GSA totaled \$339,000, of which \$189,000 came in unrestricted Annual Fund support.

Across the decades, alumni are joining together, volunteering and participating as never before in support of GSA's fundraising goals. With participation of 21% of our alumni by June 30, 2014, we surpassed the Alumni Challenge goal and more than doubled our rate from the previous year. We extend our thanks to the over 60 volunteers who helped GSA spread the word and build participation for this significant effort, as well as to the 695 alumni who made a contribution. We also thank the generous donors who provided the Challenge as an incentive, and the loyal friends who offered a special additional Challenge for each class with 15 or more donors.

On behalf of GSA and the Development Office, I thank the alumni, parents, and trustees who joined together in support of our fundraising goals in 2013-14, and a special thank you to members of our Development Committee, the Parent Volunteer Group, and our Class Agents for their ongoing commitment to building support for our students and faculty. If you are one of the individuals named in this Annual Report, I thank you for your support of the school.

Rada Starkey
Director of Development

New LED high-efficiency lights illuminate the gymnasium and show off the 2014 Class Gift, "Soaring Eagle," adorning the west wall.

Coach Kane, Susan Dickinson, and Mark Dickinson

Remembering Peter Dickinson '09

On June 4, members of the GSA community gathered at the varsity baseball field for the dedication of a concession stand given by friends and family in honor of Peter Dickinson '09. Peter, a member of the baseball team from 2006 through 2009, was remembered by his father, Mark Dickinson, and coach Dan Kane, before the start of the game vs. Deer Isle-Stonington.

"Peter loved playing baseball more than anything else, and he was very, very good at it, a true natural," said Mark. "He thrived on pitching, and he was one of the best we have seen. We have many championship trophies from all levels that he helped win. We couldn't think of a better way to honor his memory. Peter would not have cared for a monument somewhere. He liked things that could be used. We think that this is what Peter would have wanted us to do in his memory and we are sure that his spirit is here with us today."

REUNION NEWS

50th Reunion, Class of 1964: Friday, September 26

From Jim Farr '64:

"During Homecoming 2013, a small group of alumni from the class of '64 met to start planning our 50th Reunion, including Sue (Woodward) Fenders, Linda R. (Gray) Rosenberg, Eloise (Poole) Rhyne, Bernie Gray and Jim Farr. Ruthie (Clapp) and Wayne Hutchins joined after volunteering their home on Walker's Pond for a reunion lobster feed. We decided to coordinate the 50th Reunion with Homecoming Weekend, offering a full weekend of reunion and Homecoming activities.

On Friday, September 26th, several members of our class attended the Golden Eagles reception and musical entertainment at the Academy, and then proceeded to Wayne and Ruthie's for our reunion. Of 39 total class members, 7 are deceased and the other 32 were all located, 22 of whom attended, along with spouses and guests. We were extremely pleased with the turnout, and everybody enjoyed our first official gathering since 1974 (our only other reunion). At the reunion, a packet was distributed with information from each classmate on 'what I've been doing for the past 50 years,' current contact information, old 'Eagle's Nest' newspapers, vintage photos, old and sometimes little-known stories, a crossword puzzle challenge on 1964 class 'trivia,' and a remembrance of deceased class members. It was designed for the entertainment of attendees as well as those unable to join us.

We are proud of the support for our reunion Class Gift to the Annual Fund in memory of deceased classmates David Emerson, Duane Gray, Harriet (Gray) Bird, Paul Howard, Peter Lavoie, Stephen McGraw, and Harry Torrey. With 56% participation, our class helped meet the Alumni Challenge and was the first class to reach 15 contributors, earning an extra \$500 donation from a friend of the school. All told, our class raised \$1,985 for the Academy last year. A separate donation from all 22 attendees was made at the reunion on behalf of our class for the current school year, also in memory of deceased class members.

Many classmates continued to enjoy Homecoming Weekend at the Alumni Reception and at the Duane B. Gray '64 Memorial Golf Tournament. If you are an alum reading this and you have not attended reunions or Homecoming activities, we highly recommend that you join in!"

Front Row, L-R: Sharon (Leighton) Gray, Myrna (Wight) Boutin, Patricia (Howard) Smith, Debra (Sanborn) Smith, Elaine (Tucker) Blackington, Eloise (Poole) Rhyne, Judy (Austin) McKay, Linda (Gray) Rosenberg, Ruth (Clapp) Hutchins, Suzanne (Woodward) Fenders. Back Row, L-R: Victor Smith, Larry Dow, Jerry Austin, Peter O'Brien, Larry Vaughan, Bernie Gray, Wayne Hutchins, Bruce Candage, Jim Farr, Don Snow, Ed McKay. At reunion, but absent from the photo: Phil Condon.

25th Reunion, Class of 1989: Saturday, September 27

Front: Donny Bowden, Wendy (Leach) Dow, Dawn (Bates) Nason, Todd Curtis, Lisa (Curtis) Broberg, Jesse MacNair. Back: Scott Perkins and our very own, one-of-a-kind, master of ceremony Jeb Billings.

From Dawn (Bates) Nason '89:

"On September 27, eight members of the Class of 1989 and their significant others met at Nichols Day Camp in Sedgwick to celebrate our 25th reunion. While the crowd was smaller than we had hoped, a good time was had by all and included a significant amount of catching up and reminiscing, mixed in with a lot of laughs.

All members of the class were invited back the next day to continue the celebration with their families. While only a few made it, we had a great time enjoying the unseasonably warm weather and watching the kids swim in Walker's Pond. From conversations that weekend, the planning committee is going to attempt to do

a reunion each year. The goal is to make it the same weekend each year, in the same location, so that classmates traveling can make it when they are in the area and may be able to plan around a family visit. More details to follow as summer approaches. To those who couldn't make it, we missed you very much! To all who attended, thank you...a great time was had and we look forward to seeing you again soon!"

Upcoming Reunion: Class of 1965

Linda (Gray) Martin '65 reports that planning is underway for the 50th-year reunion of the Class of '65 in 2015.

"Surveys have been sent to all class members for whom we have addresses, so if you have not received a letter from us please contact Jeanette (McVay) Gray at PO Box 103, Blue Hill, ME 04614, and she will get one to you.

We'd like everyone to help decide where, when, and what kind of party we'll have, so send your surveys back to us as soon as you can. In 2014 the Class of '64 invited us to

the Golden Eagles reception at the Academy in September, and it was fun seeing friends who were just one class away from us. We'd like to extend that invitation back to them for 2015 and to the Class of '66 as well. We'd also love to see teachers and staff from our days at the Academy.

Please send Jeanette your address so we can keep you informed of our plans."

Lucretia (Leach) Milliken, Linda (Gray) Martin, and Jeanette (McVay) Gray reunited during Homecoming at the Golden Eagles Reception and agreed to work together on planning for their 50th reunion.

2014 Homecoming Highlight:

Community Pharmacies' Tribute to Duane B. Gray '64

Community Pharmacies' lead sponsorship of the Duane B. Gray '64 Memorial Golf Tournament underscores "how important Duane was to the success of the company," said president and CEO Joe Bruno. Bruno's working relationship with Duane began in the 80s, when Duane was at Partridge Drug Store, then at LaVerdiere's. "He was a good friend, and it is a small way to honor his friendship," affirmed Bruno.

Representing Community Pharmacy of Blue Hill at the tournament was pharmacist Tom Gray '79, Duane's nephew, who fell into his career after visiting a UMaine college fair and finding himself at the Massachusetts College of Pharmacy table—the same college attended by his uncle in the 60s. Tom knew he wanted to work in health care—his mother, Pat Gray '54, was a lab technologist. "The interest came from my mom," Tom says, adding that "the 'cool factor' of being a pharmacist came from uncle Duane," who was known throughout the community as "an outgoing sports guy."

Tom was good at science and enjoyed his GSA classes with teachers Ron Stanko and Roger Bennatti. "They made learning fun," Tom recalls. Thanks to them and to math teacher Emil Andy, Tom sailed through his first two years of college-level science and math classes and earned a B.S. in Pharmacy in 1984.

Returning to Maine, Tom worked in the Bangor/Brewer area for many years, joining Community Pharmacies in Bucksport in 2003. "I always loved the name of the company and what it implies," says Tom, citing the importance of the relationship between each pharmacy and its local community. These relationships were at the heart of Duane's work in Blue Hill. "A big part of what I miss with Duane is all the history," shares Tom. "He knew everyone and would take care of anyone, any way he could. He had that personal touch."

Tom Gray '79 (center) with brother Bill Gray '83 (left) and BHCC Manager and GSA golf coach Dwayne Carter '80.

HOMEcoming 2014 PHOTO ALBUM

Top row, from left: (1) Class of '65 members Jeanette (McVay) Gray, Norman Smith, Linda (Gray) Martin, and Lucretia (Leach) Milliken reconnect at the Golden Eagles reception. (2) Thanks to all the community members who donated gear for GSA's 4-Season Sports and Recreational Equipment Sale, a new Homecoming event! (3) Thanks to all the families who came to the Homecoming sports sale and gave new homes to the items collected!

Second row, from left: (4) Lucas Theoharidis '16 at the Homecoming Varsity soccer game. (5) Larry Flood, Frank Wanning, John Ronan, and Head of School Paul Perkinson at the Duane B. Gray '64 Memorial Golf Tournament. (6) The weather was perfect for an outdoor Alumni Reception at DeepWater Brewery, run by Tim '00 and Andrew Hikade '02.

Third row, from left: (7) Bebe Moulton, Terry Moulton, trustee Phyllis Taylor, and Will Taylor at the Duane B. Gray '64 Memorial Golf Tournament. (8) Head of School Paul Perkinson enjoys conversation with Edna (Day) '51 and Gordon Carter '49 at the Alumni Reception. (9) Bill Gray '83, Larry Gray '79, Brian Hally, and Mark Politte, the afternoon 2nd low net winners, Duane B. Gray '64 Memorial Golf Tournament.

Fourth row: (10) GSA's Culinary Arts Program provided lunch at the Duane B. Gray '64 Memorial Golf Tournament. Pictured are Will Ricker '15, Nick Bianco '16, Roxie Grindle '71, Josie Clark '17, Mariah Reinke '17, and Katie Gray '13. Kim Bianco (not pictured) also volunteered her time. (11) Rob Clapp '73, Mark Clapp '03, Homer Lowell '73, and John Clapp '57 at the Duane B. Gray '64 Memorial Golf Tournament. (12) Martha Garfield '82, Jeff Allen '79, and Leslie Clapp '82 at the Alumni Reception.

Bottom row: (13) Returning afternoon champions of the Duane B. Gray '64 Memorial Golf Tournament: Spencer Allen, Simeon Allen '01, Dusty Bates '02, and Brandon Allen '03. Blake, the team's caddy this year, holds the trophy. (14) Three-time morning champions of the Duane B. Gray '64 Memorial Golf Tournament, John Bannister, Adam Gray '94, and Ron Allen '58.
